Theodore Jr. is now a lieutenant colonel. Kermit is a captain. Complete Cost Saving Service for Truck Owners

Our service is based upon three fundamental things which affect trucking costs:

1. Selection of Tires.
2. Application.
3. Inspection and Care.

We analyze your loads, your roads and your work, and determine accurately the proper type and size of tire needed. We sell Goodyear S-V Solid Tires, Goodyear Cushion Tires and Goodyear Pneumatic Cord Truck Tires because we believe in their quality and know they do wear a long time.

Then the tires are applied according to a carefully worked out method which means absolute accuracy as well as speed and safety. We have ample parking space, a big hydraulic press, capable workmen and well equipped work shop. Arrangements can be made,

if desired, to do the work at night or on Sunday to save layup.

After the tires are in use we inspect them for you at regular intervals. Tires need care just like the engine and we know of many ways to help you prevent tire trouble and consequent loss. Our men make regular reports to you of each tire's condition and watch for signs of driving abuse.

This service does keep truck costs down. It does give you better cartage results. So let us send a man—an expert—who can go over your trucking problems with you and explain further the savings we can effect.

SOLDIERS DESERVE TRUTH

PARIS, Feb. 15.—Sir Robert L. Borden, premier of Canada, speaking to Canadian soldiers on leave at the Canadian Y. M. C. A. this evening, demanded that the soldiers be told immediately whether there was to be any more fighting. He severely criticized the methods by which time had been wasted since the signing of the armistice. Sir Robert said: "More than three months have elapsed since the armistice was declared, and let us not flatter ourselves that our soldiers believe no time has been wasted. They are amazed at the extremely deliberate methods employed and also most of the subjects on which time has been spent. They want to know, and before that they have a right to know, without one moment's unnecessary delay, whether there is to be any further fighting, and if so, for what cause, for what purpose. The soldiers did not palter with the purpose for which they went forth. They expect the diplomats to follow their example."

BERLIN, Feb. 15.—(By the Associated Press)—An urgent appeal to all Germans to unite to prevent Emperor William from being delivered up for trial, was published tonight in the Landzeitung Deutschland, a new government organ being issued here. The appeal is headed "League of German Men and Women for the Protection of the Person, Freedom and Life of William." Appended is a statement by Prince Henry of Prussia, who was asked to assume sponsorship for the league, but declined in favor of Field Marshal von Hindenburg. The appeal reads:

"The life of a German citizen is endangered by the shameful demands of our opponents that Emperor William shall be delivered up for execution. This would constitute a new and entirely humiliating insult to the honor of Germany. To guard against such a delivery, there shall be created a gigantic league of German men and women, who intend to save the German people from this everlasting disgrace."

SETTLE EIGHT-YEAR-OLD CASE

NEW YORK, Feb. 15.—Supreme Court Justice Cobham dismissed today a suit filed eight years ago by the state of Colorado to collect an inheritance of \$3,000 on the \$3,000,000 estate of John H. Harbek, formerly a resident of Boulder, Colo.

Testimony showed Harbek and his wife had left their residence in Colorado and were on their way to Paris to live when Harbek died here. Because the widow, Mrs. Kate A. Harbek, had given her husband's residence as Boulder, in application for the probate of his will, and had paid the inheritance tax here as a non-resident, Justice Cobham declared the executors of the estate were "morally, though not legally, bound to pay the Colorado claim."

Sorta Twixt Hay and Grass

As far the suit is concerned—Just a few days too early to put on the new spring "gown" and the old winter suit feels good and looks good—"Especially of it's a Hart-Schaffner & Marx"—SO NOW'S THE TIME to think about the shoes and the "Kelly."

We could write a book about our "Kellys"—There's the old "John B"—that's stood the test of time and all weathers.

Meet some old boy out on the desert steering a bunch of burros—see the cow puncher "fannin" that buckin' bronco—Take a look at the chap, "all dressed up like a horse," and it's a 100 to 1 shot they're all wearing Stetsons—for Stetsons are the kind of hats that wear and give service under any and all conditions—We sell 'em at

\$7.00 to \$25.00

Then There's the Barsalino

An imported hat. The Barsalino "hits over 300" in any kind of company. It's a big league hat—The guy that don't care, don't wear \$7.00 TO \$10 a Barsalino—They'll set you back from . . .

And of course we've got other hats—allcheaper,—for the fellow \$3 TO \$5 who wears 'em and throws 'em away. They range in price from

Now Drop to Your Feet

Crossett shoes have been in the "big time" for so long that most every man knows how they perform. McELWAIN AND HERMAN ARMY SHOES—always figure in the big box scores, among shoe wearers. We sell 'em because they're that kind of shoes.

In fact everything we sell you is a "repeater" in other words, it makes customers for it carries a Hanny Guarantee. If a man wears it—we sell it.

Earl & Wilson Shirts and Collars hit in just between the "Kelley" and the shoe.
